Re: Letter of Acceptance

Dear Ms. Satkovskiene,

Thank you very much for having submitted an application for Full Membership to the European Platform of Women Scientists.

According to the EPWS statutes your organisation does not yet fulfil all the criteria for this type of membership.

Nevertheless, I am delighted to inform you that we welcome BASNET as

EPWS Conditional Full Member.

All conditional full members will have three years, following the legal acceptance by Royal Decree of the EPWS Statutes under Belgian Law (Nov. 2005), in which to make their organisations ready to comply with the Full membership criteria as set out in these Statutes.

As previously mentioned, there will be no membership fees for 2007. Membership fees for 2008 will be decided in April 2007 at the EPWS First General Assembly.

Should you have any questions regarding your new membership category, please do not hesitate to contact us.

We are looking forward to working with you in the future and I hope our common endeavour will lead to successful results for women scientists in Europe.

Best regards,
